

**COMBINES**  
Ready For More<sup>SM</sup>

## 200+ POINT INSPECTION AND RECONDITIONING CHECK LIST:

Our combines are already built for the long haul. And after each pre-owned combine runs the gauntlet of our extensive inspection, certification and reconditioning process, you can be confident you're making a smart investment.

### POWERTRAIN AND SYSTEMS

- Engine block, mounts, cylinder head, valve cover, oil pan and gaskets
- Air intake, filter, tubes, hoses, and clamps
- Fuel high pressure pump
- Crankshaft, damper, and pulleys
- Transmission and differential
- Hydrostatic pump and motors
- DCA Level
- Belts
- Exhaust system
- Parking and service brakes
- Battery
- Air conditioner
- Drive belts
- Pulleys
- Chains
- Sprockets

### FEEDERHOUSE

- Header lift cylinder safety stop
- Feed chain and sprockets
- Header latches
- Header/feeder reverser
- Feederhouse bearings
- Frame
- Pivot area
- Lift cylinders and hydraulic lines
- Rock trap

### CONCAVE

- Control
- Level
- Mounting hardware
- Separator grates
- Attaching hardware

### ROTOR

- Cage
- Rasp bars
- Accelerator roll
- Rotor tines
- Rotor drive gear box shift linkage
- Forward and reverse cylinder bars
- Rotor helical guide vanes

### SHAKER SHOE FRAME AND DRIVE

- Cleaning system bearings
- Shaker shoe
- Pitman arm alignment
- Sealing strips

### CHAFFER AND SIEVE

- Adjusting lever and door latch
- Switches
- Sieves
- Sieve pan seals
- Grain loss sensors
- Cascade pan
- Comb assembly
- Grain pan

### TAILINGS RETURN SYSTEM

- Bearings
- Elevator chains and sprockets
- Elevator housing and paddles

### CLEAN GRAIN SYSTEM

- Elevator chains and sprockets
- Elevator housing and paddles
- Elevator chain adjustment
- Grain auger
- Cleaning fan
- Bearings
- Variable speed pulley
- Grain tank
- Grain tank extensions
- Fill auger flighting and housing
- Unloader augers flighting and housing
- Unloader drive

*Challenger*

**GLEANER**

## COMBINES

### STRAW SPREADER

- Paddles
- Drive gears
- Curtains
- Concave and stationary knives
- Housing

### HYDRAULICS

- Main control valve
- Smartrac LTM control valve
- Lines and hoses

### EXTERIOR

- Frame
- Paint
- Glass and mirrors
- Decals
- Safety shield
- Tires and hardware
- Toe setting
- Toolbox

### CAB/OPERATOR PLATFORM

- Panels
- Doors
- Headliners
- Upholstery
- Seat, seatbelts, and armrests
- Dashboard and monitor
- EIP functions
- Keys and manuals
- Fuel level

### OPERATIONAL AND OTHER TESTS

- Road test
- Operator controls
- Rear wheel angle
- Steering
- Gauges
- Clutch, pedal, and control
- Transmission controls
- Hydrostatic driveline
- Rear axles
- Axles
- Neutral start switches
- Parklock
- Exhaust
- Fan
- Engine speed and temperatures
- Engine oil pressures
- Fuel pump pressures
- Engine coolant temperature
- Hydraulic oil temperature
- Battery voltage
- Air conditioner
- Load test battery
- Windshield wipers
- Lights
- Sound system
- Thresher PTO clutch
- Header electro-magnetic clutch
- Unloading auger
- Feeder house
- Accumulator PSI
- Calibrate hoppers, sieves, and concaves

### FLUID TESTS

- Engine oil
- Transmission oil
- Engine coolant
- Hydraulic oil
- Freeze protection

### SERVICE AND MAINTENANCE

- Change final drive oil
- Change transmission oil
- Change hydraulic oil
- Change engine oil
- Change fuel filters
- Change hydraulic oil filter
- Change brake fluid
- Change rotor gearbox oil
- Change SCR filters
- Change engine air filter
- Change cab air filters
- Clean in-line fuel strainer/fuel sedimenter
- Clean oil cooler, condenser, radiator, charge air cooler and fuel cooler
- Clean batteries
- Change radiator coolant
- Detail machine
- Check service interval
- Check repair history

Every Certified Pre-Owned AGCO combine is backed by a comprehensive 1-year protection plan. A deductible of \$250 will be applied per incident.

AGCO Protection is for a minimum of 12 months or 500 hours from (i) the date of purchase (if out of base warranty on date of purchase) or (ii) the date the base warranty ends (if under base warranty on date of purchase), whichever occurs first. Deductible of \$250 will be applied per incident. Coverage is limited to powertrain, hydraulic, electrical, structural, feeder, lateral tilt, processor, chopper/spreader, separator, grain bin and elevator components. Restrictions apply. The CPO program and AGCO Protection extended coverage plans do not cover headers. Please see a participating dealer for restrictions and a full listing of the components covered by AGCO Protection.
